

CSA Registration

1. Register with Canoeing South Africa

Waveski Surfing is a fully recognised discipline of Canoeing South Africa (CSA).

What does this mean?

All waveskiers taking part in CSA sanctioned events will need to be registered CSA paddlers. For those paddlers who are already registered through their canoeing clubs, they will continue to make use of their CSA race number. Those paddlers who are not registered will need to join CSA and obtain a race number.

How do you do this?

To register with CSA you will need to:

- Complete the CSA Indemnity form. (DOWNLOAD NOW)
- Complete the Regional Canoe Union Registration Form. (DOWNLOAD NOW)
- Send Completed forms and R250.00 to your Regional Canoe Union Secretary
